### Practical info (from SULTAN Portugal team)

**1. Accommodation:** please find below a number of hotels located near the meeting's venue (FCUL - Faculty of Sciences of the University of Lisbon - <https://ciencias.ulisboa.pt/en/campus>) and a map of the area where both FCUL and the hotels are represented (thank you Célia and Alexandra). These hotels are only suggestions located at walking distance of the faculty. If someone wants to stay at downtown they should look for options close to a metro station (yellow and green lines). Very important note: depending on their travel plan, the participants should book their accommodation in Lisbon for the nights they need, assuming that there are two nights - Feb. 12 to 13, and Feb. 13 to 14 - that will not be spent in Lisbon. Those two nights, which correspond to the visits to the Neves Corvo Mine and the Lousal Mining Village, will be spent in a nearby village called Aljustrel, in the **Villa Aljustrel Hotel** (<https://www.hotelaljustrel.com/pt/>). We have already made a pre-reservation for those two nights at this hotel (it has 33 rooms in total; we have pre-booked all of them until we know exactly how many people will come and the number of single/double rooms). **No one should make reservations for those two nights!**

**2. Transportation:** it is also up to us (FCiências.ID SULTAN budget). We will rent either a mini-bus or a number of 9-seat vehicles depending of the costs and the number of participants.

**3. Lunches and Coffee Breaks:** during the two first days at FCUL (Feb. 11 and 12), we will provide the lunches at the faculty by contracting a catering service company (FCiências.ID SULTAN budget). However, the dinner in Lisbon on Feb. 11 will be up to each person (free time).

For the two days that we will spend in Neves Corvo and Lousal the scheme for the meals will be as follows:

Feb 12 - Dinner at the Villa Aljustrel Hotel (already organized by Álvaro and Jorge)

Feb. 13 - Lunch at the mine, courtesy of Somincor; dinner at the Villa Aljustrel Hotel (already organized by Álvaro and Jorge);

Feb. 14 - Lunch at Lousal, at Restaurante "Armazém Central", offered by SULTAN (FCiências.ID SULTAN budget).

The cost of the accommodation at the Villa Aljustrel Hotel (two nights) will include the dinners and will be paid by each person on check out: 75€ (cost of one night including dinner, in single room); 60€ (cost of one night including dinner in double room).

**4. Personal informations required:** Each registrant who will participate in the visits to Neves Corvo and Lousal, must provide the following informations on his/her registration form:

Info for the hotel check in: Full name; Gender; Birth date; Passport number or ID number (EU citizens); Nationality; Current living address (city, country); Single or Double Room at the Villa Aljustrel Hotel (in the second case, with whom do him/her want to share the room);

Info for the Neves Corvo mine: Dressing size (S, M, L, XL); Shoes number (36 to 45), or specify if he/she is bringing his/hers own safety boots/equipment. Passport number, complete name & nationality.
